

You Have Only One More Week to Renew Your Subscription

To the Semi-Weekly Bee before the first day of November and get a chance on the \$30 Kitchen Cabinet. It is a beauty. Call at the office and see it.

We are also offering a handsome line of Triple Coated Granite Ware or "Roosevelt's Thrilling Experiences in the Wilds of Africa" as premiums. Only a few days left to take advantage of this offer. Better do it **NOW**.

ABOUT 8,000 NEW MEMBERS

Join Woodmen of the World in
Louisville Sunday.

LARGE DELEGATION
FROM THIS PLACE.

Seven thousand eight hundred persons were initiated into the order of the Woodmen of the World at the Armory, in Louisville, Sunday afternoon. The ceremony followed a mammoth parade through the central portion of the city. It is estimated that 15,000 persons were in line. Mayor William O. Head and Gov. Augustus E. Willson are among the new members of the order. Seven States were represented at the exercises Sunday afternoon, and it is estimated that nearly 20,000 visitors were in the city for the occasion.

Quite a large delegation from this place and Madisonville attended and the return visitors say it was one of the most enthusiastic meetings ever held.

VICTIM OF NIGHT

RIDERS DYING

Prominent Marshall County Man Was
Lashed With Thorns.

Paducah, Ky., Oct. 23.—After nearly three years of suffering resulting from terrible abuse by alleged night riders, and from brooding over the humiliation of having been taken from his home at the dead of night, stripped of clothing and whipped with thorn branches, Henry Bennett, of Dycusburg, Ky., twenty-three miles from Paducah, is reported in a critical state at his home there, according to the messages received by relatives of Bennett in this city.

Bennett was a prominent farmer of Dycusburg and owner of a todacco re-handling house when the night rider war opened. It is said that he paid no attention to notices sent him, some of which were accompanied by bunches of switches cut from thorn trees.

Forty-One Sets of Twins.

The report of the Oklahoma state board of health shows that forty-one sets of twins were born in the state in September. All were white with the exception of one pair. This is the largest number of twins born in Oklahoma in any month since territory was settled. Members of the state board of health say it is phenomenal, and they do not believe any other state can make such a showing.

PISTOL IS END OF ARBITRATION

Business Man Kills Rival on Public Corner, at Clay, Ky.

Clay, Ky., Oct. 23.—This city is greatly stirred up tonight over a coldblooded shooting Sunday, in which Daniel B. Jenkins, a well known restaurant man, was the victim of three pistol shot wounds, inflicted by White Pemberton, also a well known business man.

The men were rivals in business and the tragedy occurred shortly after they had made a futile effort to patch up differences of several years standing. That Jenkins was unprepared for such an attack is evidenced by the fact that he was holding the reins of a horse when the fatal shot was fired. It is understood the murderer will plead self-defense. Pemberton was arrested directly after the shooting and was hustled to the county jail at Dixon. He refused to throw any light upon the nature of his quarrel with Jenkins.

The shooting occurred on one of the principal business corners of the town. The men had returned from a ride into the country yesterday morning. As they stopped their horse at Main and Elm streets, Jenkins was seen to raise up and strike Pemberton in the face with his fist. According to the best reports, Pemberton did not strike a blow in return. Both were seen to step out of the buggy on opposite sides. Jenkins had one hand on the front wheel held the reins of the horse. Pemberton whipped a revolver from his pocket and quickly fired at the man across.

There is much sentiment here against Pemberton because of the fact that he continued to fire after his victim fell to the ground. Pemberton is a man of family and has a wife and two children. He is 35 years old. Jenkins was unmarried and 28 years of age. Pemberton was non-committal when approached in his jail cell last night. He refused to make any statement about the affair.

H. H. S. Champion Kicker.

News comes from the State University that Robert Dabney, a graduate of the Hopkinsville High School 1909, is attracting attention as a football player. He is not a member of the regular team, being a Freshman, but is considered the best drop kicker in the University and is used as a substitute in emergencies that call for expert kicking. He was one of Hopkinsville's champions last year.

Maj. F. B. Harris, of Mortons Gap, was in the city Monday.

Locomotive Blasts

Railroad Work Nearing Completion.

The Railroad work which has been in progress near this city since the first of the year is nearing completion. The work of grading the new road bed will be finished within the next week or two, and already track forces are at work laying steel on sections of the road which have been completed. This work will progress rapidly, and in a few weeks after the steam shovels get out of the way the new track will be ready for use.

The Hewitt Construction Co., concrete contractors, have finished the arches over the three streams that cross the road near here, and their men are preparing to leave. Their work has solved the bridge problem here for generations to come.

The location of the passenger station is still a matter of conjecture, the railroad company having kept quiet about that matter. The only thing certain about this is that the station will have to be moved, as it is directly in the way of the new track.

The steam shovels at work here will move to Oasky as soon as they finish the work here.

Dick Hankins, who is on a through run, spent Saturday and Sunday in town the guest of relatives and friends.

Steve Mothershead, of Evansville, spent Sunday with his parents.

W. P. Starks, overseer of the L & N., was in the city Monday.

FEDERAL INJUNCTION CLOSES MEMPHIS SALOONS

Law and Order League Sues Under the
Fourteenth Amendment.

Memphis, Tenn., Oct. 22.—The Law and Order League, composed of a number of prominent citizens of Memphis, scored a decisive victory today when Federal Judge McCall issued a writ of injunction against 113 saloons debarring them from selling intoxicating liquor.

The writ was issued on the ground that the petitioners had been denied equal protection of the law by the State authorities, which is guaranteed them by the Fourteenth Amendment to the Constitution of the United States. The writ is returnable October 27.

In the meantime the saloons will remain closed.

F. P. Whiffler, civil engineer of the St. Bernard, has returned home from Detroit.

MASONS ELECT THEIR OFFICERS

Robert R. Burnam Is Now the Grand
Master of Kentucky.

At the recent communication of the Grand Lodge of Free and Masons of Kentucky, Robert R. Burnam, of Richmond, was elected Grand Master for the ensuing year; David Jackson, of London, Deputy Grand Master, and Joe H. Ewalt, of Paris, Grand Senior Warden, John H. Cowles, of Louisville, the retiring Grand Master, became Past Grand Master. These officers were advanced in accordance with Masonic customs, and the elections were unanimous.

Capt. H. B. Grant, of Louisville, was re-elected to the office of Grand Secretary, and Capt. John H. Leathers, of Louisville, was re-elected as Grand Treasurer.

Capt. Grant, Grand Secretary, announced the re-appointment of John I. Fisher, of Carlisle, as Assistant Grand Secretary, and the appointment was confirmed by the Grand Lodge.

The only office for which there was a contest was that of Grand Junior Warden, and interest centered in this election for the reason that the successful candidate is put in line to be advanced to the office of Grand Master of the fraternity. Orrie S. Ware, of Covington, was elected Grand Junior Warden on the third ballot.

No More Dyspepsia.

Gas, or other Stomach Troubles. Nothing will remain undigested or sour on your stomach if you will take a little Digesteze, a powerful digestive, harmless and pleasant as Maple Syrup. For sale by the drug department of the St. Bernard Mining Company, Incorporated.

WRECK IN YARDS

No. 93 Splits a Switch in Earlington
Yards and Knocks Cab off an Engine.

No. 93 South bound passenger train split a switch in the south end of Earlington yards Saturday night and did considerable damage to an engine standing on the siding waiting to be coaled. The front trucks of the combination car on 93 ran up number one track and the rear trucks ran up the main track, this threw the combination car and the mail car against the freight engine on the siding tearing the cab from the engine and damaging the end of the combination car. The porter on 93 who was in the baggage car was hit by a flying trunk and considerably bruised. None of the passengers were injured. Engineer Will Rowe and conductor Post of the St. Louis division were in charge of 93, and Red Sutton was hostler on the freight engine.

Nebo Happenings

Another good rain.
R. S. Hill is slowly improving.
More hogs are being fattened than usual.

Frank Nickols went to Earlington Wednesday.

A great deal of coal is being shipped from this part.

Lonnie Morrow has gone to the Masonic Grand Lodge.

Misses Mabel Graham and Tot Fike went to White Plains Saturday.

Mrs. Will Cox rented out her Hotel and will go to Hopkinsville to keep Hotel.

The meeting at Rose Creek is still in progress. Large crowds attend at night.

An effort is being made to raise funds to have the C. R. Church recovered.

J. S. Durham, who had the misfortune to fall and hurt himself has recovered.

Mrs. Mary Wright, of Providence, passed through Nebo Friday en route to Madisonville.

Mr. Robert L. Graham has rented the Hotel of Mrs. Cox and will engage in Hotel keeping.

Bro Costello, who has been conducting a meeting at Rosecreek for the past week, left for his home Monday.

Some are gathering corn, a good idea. Some say the crop is light, while others say a large yield may be expected.

Dr. Ferguson, who has been having a well bored, reached water at a depth of 80 feet. He is having another one bored for stock water.

Tom Nisevonger who is totally blind, frequently comes to Nebo, a distance of one mile, entirely alone. He goes over farm, of 150 acres, and suckers tobacco and feeds his stock all by himself.

J. S. Durham fell from a ladder a few days ago and sustained several bruises, but we are glad to say nothing of a serious nature. Old people ought to be careful and not get too far from the ground.

Louis Veasy, who has a store about 2 miles South of Nebo, had the misfortune to lose his store by fire, we understand that the stock of goods was valued at \$3,000, with about \$1,000 insurance.

We have been informed that there is a trade on hand involving several thousand dollars, but we cannot give the names of the parties. One of the party said that there would be a deal made if no one backed out.

Two of our young men hitched a young horse to a buggy and on their way home their horse became frightened, and after running two miles they finally succeeded in stopping him, a crippled horse and torn up harness being the result.

You Can Eat Anything.

Eat what your stomach craves without the slightest fear of indigestion, which is an awful feeling. You will not be bothered with Sour Stomach, Heartburn, Nausea, Bad Breath or Heavy Feeling if you will take one dose of Digesteze. It relieves and cures as if by Magic. Pleasant as Candy. Relief in one minute. Get a 50c bottle from the drug department of the St. Bernard Mining Company, Incorporated.

LINCOLN MEMORIAL TO BE DEDICATED NEXT SPRING

Improvements at Park in Larue County
Have Cost \$120,000 to Date.

Hodgenville, Ky., Oct. 22.—Information from officials of the Lincoln Farm Association—ex-Gov. Folk, president, and Richard Lloyd Jones, vice president—is that the Lincoln memorial building here will not be dedicated possibly before early spring. It was expected to have it in readiness by early fall, but there yet remains considerable work to be done at the park. The building itself is ready to be thrown open to the public, and while hundreds visit the farm each week, none are allowed to enter.

Arrangements, it is stated, will be made to have the dedication attended by President Taft and his Cabinet, and already a larger crowd than attended the cornerstone laying last February is anticipated. The total cost of the building and park improvement to date is \$120,000.

Do Stop Coughing.

You can if you will use Otto's Spruce Gum Balsam and Pine Tar Compound. A valuable remedy for Coughs, Whooping Cough, Croup, Bronchitis, Asthma, Sore Throat, Chest and Lungs. Price 25 and 50 cents. Sold by drug department of the St. Bernard Mining Company, Incorporated.

Egg-Laying Rooster.

Consternation reigns among the 1,200 or more hens in the poultry department of the York County Fair, for an egg-laying rooster has appeared and threatens to defeat them at their particular vocation. This rooster, which is labeled "Laying Buff Leghorn Cock," appears in a pen in the poultry house and, as indisputable proof of his accomplishment, laid an egg this morning in the presence of a throng of spectators.

As though this were not enough disgrace to the outraged hens, his owner, Mrs. F. D. Lauer, of Dover township, has entered a dozen of his eggs in the table egg competition. They are brown in color, and as they are of good size and shape there is a possibility that he can carry off a premium in this department.

As for the judges, they simply don't know what to do, the feathered marvel has them so perplexed. They want to be sure that the wonder is not merely not a hen with masculine resemblance derived from its father, and they know that they can't resolve doubts by anything less than the dictum of an expert. It is therefore proposed to make a biological investigation with X rays before awarding the laying Leghorn a prize.—York, Pa., Special to the Philadelphia Record.
